Toshiba Currency Sorter

IBS-210

High Performance

Ease-of-Use

Easy Maintenance

2 Pocket Note Counter

The one word that best describes the IBS-210 is "revolutionary." All of the features you need are available in one compact machine. Ability to handle 10 currencies, dual-operation, and denomination sorting as well as facing/orientation are available for teller and backroom operation with this top-notch machine. Another feature option includes a 4.3 inch large color touch panel that makes the IBS-210 extremely user friendly. All note paths are totally accessible and the IBS-210 is upgradable for new series notes and counterfeits via USB.
